Choose from multiple webcast platforms

MessageBank

Traditional à la carte
webcast/teleconference

OpenExchange

Reimagine earnings with
creative bundles and fixed cost

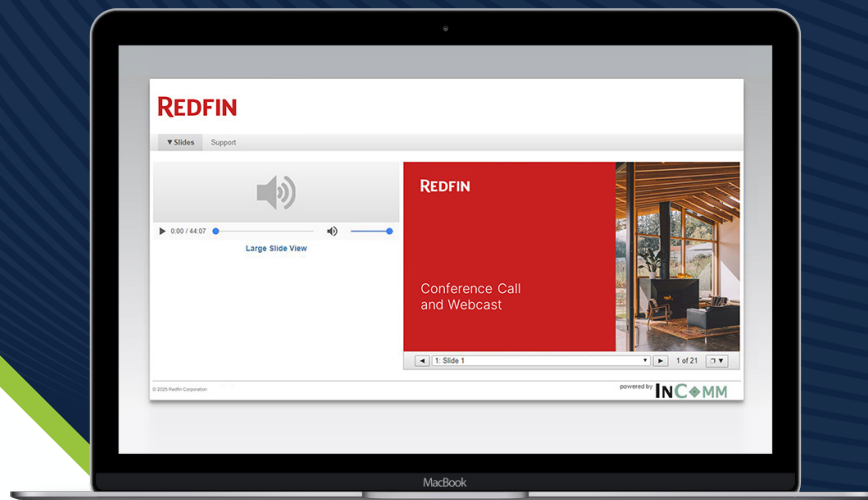

InComm

Traditional à la carte
webcast/teleconference

Key features

- Choose the format: audio only, presenter-controlled slides, or video
- Live Q&A after the streaming
- Complete reporting
- Scales to audiences of any size
- Customized to your brand & corporate identity
- Presenter or user-controlled slides
- Optional pre-recording
- Share audio or video alongside your presentation

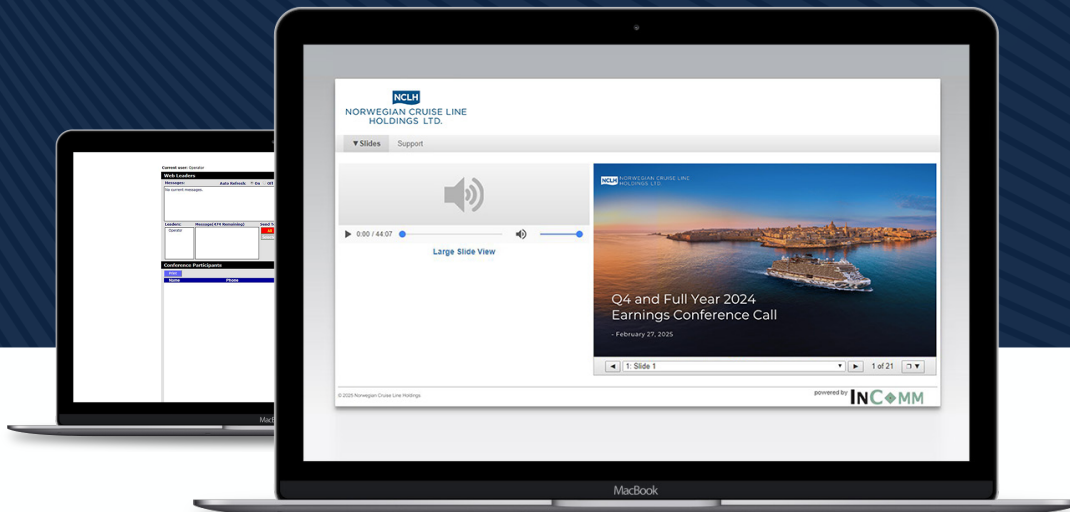

Fully operator-assisted

- Speakers are:
 - Professionally guided through the process and options
 - Directly connected to the operator throughout the event
 - Introduced by operators during the event
- Each participant is personally greeted and placed in the conference
- Professionally run Q&A, including pre-planning
- Non-invasive event voting and polling
- A lead operator is assigned for the duration of the event
- Prepared conference reports

Optional pre-recording with live Q&A

- Take the stress out of presenting with prepared remarks
- Pre-recording streams exactly as if it were a live event
- Live Q&A begins after pre-recording finishes streaming
- Operator-assisted to manage call notes during the event recording
- Compiled & edited recording for your approval
